Arts and Humanities (HUM)

HUM 10 Compass Course: Mythologies 4 Units
Terms offered: Not yet offered
The Compass Courses offer you an opportunity to explore the division of Arts and Humanities. They are offered on different themes each year, but they share a unique structure. The class is taught by three professors in three modules of study. You will have a chance to study with each professor, experience a range of approaches to the theme, and learn the methods and structures of different disciplines. Compass Courses are designed to guide you through various options for study in Arts and Humanities and to serve as a gateway to the rich offerings at Berkeley. They are part of the freshman experience, advancing a common journey of discovery and building an intellectual cohort among students new to Berkeley's expansive possibilities.

HUM 20 Explorations in Arts + Design at Berkeley 1 Unit
Terms offered: Spring 2019
A+D Mondays @ BAMPFA is a weekly public lecture series organized by the Arts + Design Initiative and co-curated by departments throughout the campus and local and national arts organizations. Through lectures by leading scholars, artists, and public figures, students are introduced to vocabularies, forms, and histories from the many arts, design, humanities, and media disciplines represented at UC Berkeley. Explore cutting-edge thinking and making on topics of current interest to UC Berkeley's creative faculty and national leaders in the cultural and creative arts. Students engage with the lecture series through weekly response papers and a final reflection paper.

HUM W101 Research Bootcamp: How to Research in the Humanities 4 Units
Terms offered: Summer 2019 8 Week Session
“Research Bootcamp” will take you, step by step, through a process that will give you the knowledge and skills necessary to do the research your advanced classes require. With Mary Shelley’s Frankenstein as our shared text, we will explore the research process, learn to move beyond generalities, discover new approaches to reading, and achieve the ability to join a scholarly conversation. We will pay close attention to mastering the tools that will open up a world of scholarship, and that will allow you to engage it with confidence. This course will teach you about the purposes, objects, and methods of humanistic research, and will prepare you to undertake original research projects of your own.
