Creative Writing

Minor

The Creative Writing Program is an interdisciplinary minor program offered by the Office of Undergraduate and Interdisciplinary Studies in the Division of Undergraduate Studies in the College of Letters & Science. The approved courses students take to satisfy the minor course requirements are offered by over forty departments and programs on campus. Interested undergraduate students in any major may earn an interdepartmental minor in creative writing by completing the requirements listed in the Minor Requirements tab. For further information, please also see the Creative Writing Minor Student Handout (http://creative.ugis.berkeley.edu/forms-downloads) and the program's Frequently Asked Questions pages (http://creative.ugis.berkeley.edu/faq).

There is no major program in Creative Writing.

Declaring and Completing the Minor

Information regarding declaring the minor and completing the minor, including deadlines, is available on the Creative Writing Minor website (http://creative.ugis.berkeley.edu). See Declaring and Completing (http://creative.ugis.berkeley.edu/declaring-and-completing).

Students who are interested in the Creative Writing minor are encouraged to subscribe to the Creative Writing minor email list serve to receive important news about the minor, including special approval courses for the minor that are not published on the website. To subscribe, email demir@berkeley.edu.

Students who have a strong interest in an area of study outside their major often decide to complete a minor program. These programs have set requirements and are noted officially on the transcript, but are not noted on diplomas.

General Guidelines

1. All minors must be declared no later than one semester before a student’s Expected Graduation Term (EGT). If the semester before EGT is fall or spring, the deadline is the last day of RRR week. If the semester before EGT is summer, the deadline is the final Friday of Summer Sessions. To declare a minor, contact the department advisor for information on requirements, and the declaration process.

2. Five upper division courses are required, consisting of three approved courses in creative writing and two approved courses in literature.

3. All courses taken to fulfill the minor requirements must be taken for graded credit (a letter grade).

4. A minimum of three of the upper division courses taken to fulfill the minor requirements must be completed at UC Berkeley.

5. A minimum grade point average (GPA) of 2.0 is required for courses used to fulfill the minor requirements.

6. Courses used to fulfill the minor requirements may be applied toward the Seven-Course Breadth requirement for Letters & Science students.

7. No more than one upper division course may be used to simultaneously fulfill requirements for a major program.

8. No more than one upper division course may be used to simultaneously fulfill requirements for another minor program.

9. All minor requirements must be completed prior to the last day of finals during the semester in which you plan to graduate. If you cannot finish all courses required for the minor by that time, please see a College of Letters & Science adviser.

10. All minor requirements must be completed within the unit ceiling. (For further information regarding the unit ceiling, please see the College Requirements tab.)
