Greek

Bachelor of Arts (BA)
The major in Greek provides training in ancient Greek from the ground up, enabling students to encounter texts such as Homer’s Odysse,
Sophocles’ Antigone, and the dialogues of Plato in their original form.
Students majoring in Greek contextualize these readings by taking classes in Classical Civilizations, where they explore many different aspects of Greek culture and read a broad array of ancient texts in translation.

Declaring the Major
To declare the major, meet with the Classics undergraduate adviser, who can help you create a course plan and complete the declaration. You may also want to review the Letters & Science advising site for a guide to declaring a major (https://ls.berkeley.edu/advising/planning/schedule-planning/choosing-major/). For a detailed list of requirements, please see the Major Requirements tab.

Honors Program
Students who are declared majors in Greek and who have a GPA (both general and departmental) of at least 3.6 are eligible for honors in Greek. The honors program consists of a two-semester course sequence — GREEK H195A and GREEK H195B, that is designed to support the writing of a thesis. This thesis, which will be evaluated by an honors committee of three members, may either build on work in a previous upper division course used in fulfillment of the Greek major or it may be a newly conceived project. It is due the Monday of the 13th week of the semester in which Greek H195B is taken.

Further details can be found online at Classics Undergraduate Honors (http://www.classics.berkeley.edu/programs/undergraduate/honors/). Please consult with a Classics undergraduate adviser to begin planning to participate in honors.

Minor Program
The Department of Classics offers a minor in Greek Studies. The minor requires five upper division courses in Greek language and related courses. At least three courses must be in the Greek language; up to two courses may be courses with substantial content relevant to Greek literature, philosophy, culture, or history. Courses or seminars taught by Classics professors in other departments may also be accepted, in consultation with the Undergraduate Faculty Advisor. One of the five courses may be taken outside of the department on campus or abroad with the approval of the Undergraduate Faculty Advisor.

Other Majors and Minors offered by the Department of Classics
Classical Civilizations (http://guide.berkeley.edu/undergraduate/degree-programs/classical-civilizations/) (Major and Minor)
Classical Languages (http://guide.berkeley.edu/undergraduate/degree-programs/classical-languages/) (Major only)
Latin (http://guide.berkeley.edu/undergraduate/degree-programs/latin/) (Major and Minor)

In addition to the University, campus, and college requirements, listed on the College Requirements tab, students must fulfill the below requirements specific to their major program.

General Guidelines
1. All courses taken to fulfill the major requirements below must be taken for graded credit (except for courses taken in Spring 2020), other than courses listed which are offered on a Pass/No Pass basis only. Other exceptions to this requirement are noted as applicable.
2. No more than one upper division course may be used to simultaneously fulfill requirements for a student’s major and minor programs, with the exception of minors offered outside of the College of Letters & Science.
3. A minimum grade point average (GPA) of 2.0 must be maintained in both upper and lower division courses used to fulfill the major requirements.

**Total Units: 16**

Students who have a strong interest in an area of study outside their major often decide to complete a minor program. These programs have set requirements and are noted officially on the transcript in the memoranda section, but they are not noted on diplomas.

### General Guidelines

1. All minors must be declared no later than one semester before a student's Expected Graduation Term (EGT). If the semester before EGT is fall or spring, the deadline is the last day of RRR week. If the semester before EGT is summer, the deadline is the final Friday of Summer Sessions. To declare a minor, contact the department advisor for information on requirements, and the declaration process.

2. All courses taken to fulfill the minor requirements must be taken for a letter grade. (Except for courses taken in Spring 2020.)

3. Five upper division courses in Greek language and related courses:
   - Three courses must be in the Greek language
   - Two courses may be in Greek or they may be courses with substantial content relevant to Greek literature, philosophy, culture, or history.

4. A minimum grade point average (GPA) of 2.0 is required for courses used to fulfill the minor requirements.

5. Courses used to fulfill the minor requirements may be applied toward the Seven-Course Breadth requirement, for Letters & Science students.

6. No more than one upper division course may be used to simultaneously fulfill requirements for a student's major and minor programs.

7. All minor requirements must be completed prior to the last day of finals during the semester in which you plan to graduate.

8. All minor requirements must be completed within the unit ceiling. (For further information regarding the unit ceiling, please see the College Requirements tab.)

### Requirements

#### Upper Division

Select five upper division courses in Greek language and related courses

- Three courses must be in the Greek language
- Two courses may be in Greek or courses may be courses with substantial content relevant to Greek literature, philosophy, culture, or history
Courses or seminars taught by Classics professors in other departments may also be accepted, in consultation with the Undergraduate Faculty Advisor. One of the five courses may be taken outside of the department on campus or abroad with the approval of the Undergraduate Faculty Advisor.

Undergraduate students must fulfill the following requirements in addition to those required by their major program.

For detailed lists of courses that fulfill college requirements, please review the College of Letters & Sciences (http://guide.berkeley.edu/undergraduate/colleges-schools/letters-science/) page in this Guide. For College advising appointments, please visit the L&S Advising (https://ls.berkeley.edu/advising/about-undergraduate-advising-services/) Pages.

**University of California Requirements**

**Entry Level Writing** (http://writing.berkeley.edu/node/78/)

All students who will enter the University of California as freshmen must demonstrate their command of the English language by fulfilling the Entry Level Writing requirement. Fulfillment of this requirement is also a prerequisite to enrollment in all reading and composition courses at UC Berkeley.

American History and American Institutions (http://guide.berkeley.edu/undergraduate/colleges-schools/letters-science/american-history-institutions-requirement/)

The American History and Institutions requirements are based on the principle that a US resident graduated from an American university, should have an understanding of the history and governmental institutions of the United States.

**Berkeley Campus Requirement**

American Cultures (http://americancultures.berkeley.edu/students/courses/)

All undergraduate students at Cal need to take and pass this course in order to graduate. The requirement offers an exciting intellectual environment centered on the study of race, ethnicity and culture of the United States. AC courses offer students opportunities to be part of research-led, highly accomplished teaching environments, grappling with the complexity of American Culture.

**College of Letters & Science Essential Skills Requirements**

Quantitative Reasoning (http://guide.berkeley.edu/undergraduate/colleges-schools/letters-science/quantitative-reasoning-requirement/)

The Quantitative Reasoning requirement is designed to ensure that students graduate with basic understanding and competency in math, statistics, or computer science. The requirement may be satisfied by exam or by taking an approved course.

Foreign Language (http://guide.berkeley.edu/undergraduate/colleges-schools/letters-science/foreign-language-requirement/)

The Foreign Language requirement may be satisfied by demonstrating proficiency in reading comprehension, writing, and conversation in a foreign language equivalent to the second semester college level, either by passing an exam or by completing approved course work.

Reading and Composition (http://guide.berkeley.edu/undergraduate/colleges-schools/letters-science/reading-composition-requirement/)

In order to provide a solid foundation in reading, writing, and critical thinking the College requires two semesters of lower division work in composition in sequence. Students must complete parts A & B reading and composition courses by the end of their second semester and a second-level course by the end of their fourth semester.

**College of Letters & Science 7 Course Breadth Requirements**

Breadth Requirements (http://guide.berkeley.edu/undergraduate/colleges-schools/letters-science/#breadthrequirementstext)

The undergraduate breadth requirements provide Berkeley students with a rich and varied educational experience outside of their major program. As the foundation of a liberal arts education, breadth courses give students a view into the intellectual life of the University while introducing them to a multitude of perspectives and approaches to research and scholarship. Engaging students in new disciplines and with peers from other majors, the breadth experience strengthens interdisciplinary connections and context that prepares Berkeley graduates to understand and solve the complex issues of their day.

**Unit Requirements**

- 120 total units
- Of the 120 units, 36 must be upper division units
- Of the 36 upper division units, 6 must be taken in courses offered outside your major department

**Residence Requirements**

For units to be considered in "residence," you must be registered in courses on the Berkeley campus as a student in the College of Letters & Science. Most students automatically fulfill the residence requirement by attending classes here for four years. In general, there is no need to be concerned about this requirement, unless you go abroad for a semester or year or want to take courses at another institution or through UC Extension during your senior year. In these cases, you should make an appointment to meet an adviser to determine how you can meet the Senior Residence Requirement.

Note: Courses taken through UC Extension do not count toward residence.

**Senior Residence Requirement**

After you become a senior (with 90 semester units earned toward your BA degree), you must complete at least 24 of the remaining 30 units in residence in at least two semesters. To count as residence, a semester must consist of at least 6 passed units. Intercampus Visitor, EAP, and UC Berkeley-Washington Program (UCDC) units are excluded.

You may use a Berkeley Summer Session to satisfy one semester of the Senior Residence requirement, provided that you successfully complete 6 units of course work in the Summer Session and that you have been enrolled previously in the college.

**Modified Senior Residence Requirement**

Participants in the UC Education Abroad Program (EAP), Berkeley Summer Abroad, or the UC Berkeley Washington Program (UCDC) may meet a Modified Senior Residence requirement by completing 24
Greek

(excluding EAP) of their final 60 semester units in residence. At least 12 of these 24 units must be completed after you have completed 90 units.

Upper Division Residence Requirement
You must complete in residence a minimum of 18 units of upper division courses (excluding UCEAP units), 12 of which must satisfy the requirements for your major.

Summary of Modifications

1. L&S College Requirements: Reading & Composition, Quantitative Reasoning, and Foreign Language, which typically must be satisfied with a letter grade, can be satisfied with a Passed (P) grade during Fall 2020 and Spring 2021 if a student elects to take the course for P/NP. Note: This does not include Entry Level Writing (College Writing R1A).

2. Requirements within L&S majors and minors can be satisfied with Passed (P) grades during the Fall 2020 and Spring 2021 semesters. This includes prerequisites for majors. Contact your intended or declared major/minor adviser (http://guide.berkeley.edu/undergraduate/degree-programs/) for more details.

3. Departments may create alternative methods for admitting students into their majors.

4. L&S students will not be placed on academic probation automatically for taking all of their courses P/NP during Fall 2020 or Spring 2021.

Mission
The learning goals should be understood in the context of the mission statement of the Department of Classics (http://www.classics.berkeley.edu/about/). The first two components of that statement are especially relevant to undergraduate teaching and are repeated here:

1. To give students across the University access to the literature, history, archaeology, mythology and philosophy of the ancient Greek and Roman world through an array of undergraduate courses on classical culture in translation. These courses introduce students to texts, artifacts, and ideas that are worth studying both in their own right and as abidingly influential elements in the imagination and history of later cultures. Such study deepens students’ understanding of present-day issues by inculcating a sense of historical perspective that takes into account both the differences and the continuities between contemporary and ancient cultures.

2. To enable undergraduates to immerse themselves in the language and culture of ancient Greece and Rome through its majors in Greek, Latin, and Classical Civilizations. These majors equip students with knowledge and analytical skills that can be applied in many areas (e.g., law, politics, business, biosciences, computer science, and media) as well as providing essential preparation for graduate study in Classics, Comparative Literature, Philosophy, and other fields.

Learning Goals for the Major

1. Acquire a basic grounding in the vocabulary, morphology, and syntax of classical Greek.

2. Practice the skills needed to use dictionaries, grammars, and other resources to read intermediate texts accurately and to deal comfortably with at least some advanced texts in the original language(s).

3. Gain a critical awareness of continuities and differences between and within cultures and of ideologies of gender, group identity, social status, and political organization.

4. Demonstrate the ability to interpret texts and material culture and to understand the implications of interpretive methods.

5. Demonstrate the ability to synthesize a well-organized argument from textual or other evidence and to express it in formal English prose.

Major Maps help undergraduate students discover academic, co-curricular, and discovery opportunities at UC Berkeley based on intended major or field of interest. Developed by the Division of Undergraduate Education in collaboration with academic departments, these experience maps will help you:

- Explore your major and gain a better understanding of your field of study
- Connect with people and programs that inspire and sustain your creativity, drive, curiosity and success
- Discover opportunities for independent inquiry, enterprise, and creative expression
- Engage locally and globally to broaden your perspectives and change the world
- Reflect on your academic career and prepare for life after Berkeley

Use the major map below as a guide to planning your undergraduate journey and designing your own unique Berkeley experience.
