Introduction to the College

The College of Environmental Design (CED) is UC Berkeley's home for environmental design theory, research, innovation, and practice. CED stands among the nation's top environmental design and planning schools. It is one of the world's most distinguished laboratories for experimentation, research, and intellectual synergy. CED offers undergraduate degrees in architecture, urban studies, landscape architecture, and sustainable environmental design. All departments offer undergraduate minor programs open to students majoring in other fields.

The mission of CED is to educate diverse students to critically analyze the built environment, preparing them to craft buildings, cities, and landscapes that are ecologically sustainable and resilient; prosperous and fair; healthy and beautiful.

The College trains students in rigorous research and analytic methods, as well as the art of designing memorable, well-loved places that both nurture the senses and challenge the imagination. CED helps students acquire technical expertise and develop transcendent ways of seeing and re-figuring the built environment.

University of California Requirements

Entry Level Writing (https://guide.berkeley.edu/undergraduate/education/#earningyourdegreetext)

All students who will enter the University of California as first-year (non-transfer) students must demonstrate their command of the English language by satisfying the Entry Level Writing Requirement (ELWR). The UC Entry Level Writing Requirement website (https://admission.universityofcalifornia.edu/elwr/) provides information on how to satisfy the requirement.

American History and American Institutions (https://guide.berkeley.edu/undergraduate/education/#earningyourdegreetext)

The American History and Institutions (AH&I) requirements are based on the principle that a U.S. resident graduated from an American university should have an understanding of the history and governmental institutions of the United States.

Campus Requirement

American Cultures (https://guide.berkeley.edu/undergraduate/education/#earningyourdegreetext)

The American Cultures requirement is a Berkeley campus requirement, one that all undergraduate students at Berkeley need to pass in order to graduate. You satisfy the requirement by passing, with a grade not lower than C- or P, an American Cultures course. You may take an American Cultures course any time during your undergraduate career at Berkeley. The requirement was instituted in 1991 to introduce students to the diverse cultures of the United States through a comparative framework. Courses are offered in more than fifty departments in many different disciplines at both the lower and upper division level.

Summary of College and University Requirements

- Entry Level Writing
- American History and Institutions
- American Cultures
- Reading and Composition
- Seven Course Breadth
- Lower Division Environmental Design (2 courses)
- Upper Division Environmental Design (3 courses)

University of California Requirements

Entry Level Writing (https://guide.berkeley.edu/undergraduate/colleges-schools/environmental-design/entry-level-writing-requirement/)

All students who will enter the University of California as first-year (non-transfer) students must demonstrate their command of the English language by satisfying the Entry Level Writing Requirement. Satisfaction of this requirement is also a prerequisite to enrollment in all reading and composition courses at UC Berkeley.

American History and American Institutions (https://guide.berkeley.edu/undergraduate/colleges-schools/environmental-design/american-history-american-institutions-requirements/)

The American History and Institutions requirements are based on the principle that a U.S. resident graduated from an American university should have an understanding of the history and governmental institutions of the United States.

Campus Requirement

American Cultures (https://guide.berkeley.edu/undergraduate/colleges-schools/environmental-design/american-cultures-requirement/)

American Cultures (AC) is the one requirement that all undergraduate students at UC Berkeley need to take and pass in order to graduate. The requirement offers an exciting intellectual environment centered on the study of race, ethnicity and culture of the United States. AC courses offer students opportunities to be part of research-led, highly accomplished teaching environments, grappling with the complexity of American Culture.

College Requirements

Reading and Composition (https://guide.berkeley.edu/undergraduate/colleges-schools/environmental-design/reading-composition-requirement/)

In order to provide a solid foundation in reading, writing, and critical thinking, the College requires two semesters of lower division work in composition. Students must complete a first-level reading and composition course by the end of their second semester and a second-level course by the end of their fourth semester.

Seven Course Breadth

Please see College of Letters & Science Seven-Course Breadth Requirement (http://guide.berkeley.edu/undergraduate/colleges-schools/letters-science/#breadthrequirementtextcontainer) for detailed instructions on satisfying these requirements. Guidelines include the following:
1. Up to two CED courses or courses cross-listed with CED may be used to complete Seven-Course Breadth (students admitted to UCB Fall 2013 and later only).
2. Only lower division ENV DES courses (ENV DES 1, ENV DES 5) and lower division major requirements may simultaneously satisfy Seven-Course Breadth. A course used to satisfy either an upper division major requirement or the upper division CED outside of major department requirement may not also satisfy Seven Course Breadth. Upper division CED courses that are not satisfying another upper division requirement may satisfy Seven-Course Breadth.
3. No more than two courses from any one academic department may be used to satisfy breadth requirements.
4. A Seven-Course Breadth class that is also being used to complete another CED requirement must be completed with a letter grade of C- or better.
5. Only one of the remaining Seven-Course Breadth may be taken on a Passed/Not Passed basis.
6. The International Studies breadth requirement may be satisfied by participation in the UC Education Abroad Program or a recognized equivalent program.
7. CED students may apply high school exam credit (Advanced Placement, International Baccalaureate, A-Level Exam) towards many College and CED requirements. See the CED website section on High School Exam Credit for more information: ced.berkeley.edu/advising/forms-documents/

Lower Division Major Requirements that May be Used to Simultaneously satisfy Seven Course Breadth Requirement

Architecture Majors

Physical Sciences
- PHYSICS 7A  Physics for Scientists and Engineers [4]
- PHYSICS 8A  Introductory Physics [4]

Landscape Architecture Majors

Biological Sciences
- Approved biological science courses (see major handbook) can also be used to satisfy biological science breadth requirements. Consult a CED advisor for more information.

Physical Sciences
- Approved physical science courses (see major handbook) can also be used to satisfy physical science breadth requirements. Consult a CED advisor for more information.

Sustainable Environmental Design Majors

Biological Sciences
- LD ARCH 12  Environmental Science for Sustainable Development [4]

Physical Sciences
- PHYSICS 7A  Physics for Scientists and Engineers [4]
- PHYSICS 8A  Introductory Physics [4]

Social & Behavioral Sciences

ENVECON C1  Introduction to Environmental Economics and Policy [4]

(ECON 1 or 2: permission needed from SED Advisor)

Urban Studies Majors

Social & Behavioral Sciences
- ECON 1  Introduction to Economics [4]
- ECON 2  Introduction to Economics--Lecture Format [4]
- ENVECON C1  Introduction to Environmental Economics and Policy [4]

Urban Studies Lower Division Major Electives

Lower Division Environmental Design (Two Courses Required)

ENV DES 1  Introduction to Environmental Design  3
ENV DES 5  Cities and Sites *  4

* ENV DES 5 is a requirement for all students admitted to UC Berkeley as first-year (non-transfer), including students admitted to other colleges at UC Berkeley then entered CED through the Change of College process. Transfer students are exempt from this requirement.

Guidelines for lower division Environmental Design courses:
- Must be completed with a letter grade of C- or better.
- Any of the courses used to satisfy this requirement may simultaneously satisfy the Seven Course Breadth Requirement.
- However, no more than two CED courses (or courses cross-listed with CED courses) may be used to complete Seven Course Breadth.

Upper Division Environmental Design (Three Courses Required)

1. Three upper division CED courses from departments outside the major (minimum of 9 units).
2. Must be completed with a letter grade of C- or better.
3. Each of the three courses must be at least 2 units and must be within the 100-299 course range (excluding 197, 198, and 199).
4. Depending on the major, this requirement may be satisfied with courses in Architecture, Environmental Design, Visual Studies, Landscape Architecture, and City and Regional Planning.
5. A course used to satisfy this requirement may not also be used to satisfy Seven Course Breadth or major requirements.

High School Exam Credit

CED students may apply high school exam credit (Advanced Placement, International Baccalaureate, A-Level Exam) towards many College and Major Requirements. Please see the High School Exam Credit section on the CED website (https://ced.berkeley.edu/advising/forms-documents/) for more information.

Semester Limit

Students admitted as first-year (non-transfer) students must graduate within eight fall/spring semesters at UC Berkeley. Students admitted as
Students may use Berkeley Summer Sessions to satisfy one semester of at UC Berkeley as CED students. To count as residence, a semester must be at least 24 of the remaining 30 units in at least two semesters in residence registered in the College of Environmental Design and must complete at least 50 units in residence. See the major advisor.

To request permission to take more than 20.5 units in a semester, please refer to the CED Forms & Documents page.

### Semester Unit Minimum
All CED students must enroll in at least 12 units each fall and spring semester. Students entering UC Berkeley as first-year (non-transfer) students with no prior units need to complete 15 units per semester to graduate in four years.

### Semester Unit Maximum
To request permission to take more than 20.5 units in a semester, please see the major advisor.

### Senior Residence Requirement
After reaching senior status (90 semester units earned), students must be registered in the College of Environmental Design and must complete at least 24 of the remaining 30 units in at least two semesters in residence at UC Berkeley as CED students. To count as residence, a semester must consist of at least six passed units.

Students may use Berkeley Summer Sessions to satisfy one semester of the Senior Residence Requirement, provided that six units of coursework are completed. Units completed through UC Berkeley “W” web-based courses do apply towards Senior Residence.

#### Excluded from Senior Residence
- Inter-campus Visitor Program
- Education Abroad Program (UCEAP)
- UC Berkeley Washington Program (UCDC)
- Berkeley Summer Sessions completed abroad
- UC Berkeley Extension units (X and XB), and non-UC Berkeley online classes.

### Modified Senior Residence Requirement
Participants in the UC Berkeley-Washington Program (UCDC); a fall, spring or summer UC Education Abroad Program (UCEAP); Berkeley Summer Abroad; or the Berkeley Global Internship program may meet the Modified Senior Residence Requirement by completing 24 of their final 60 semester units (excluding EAP or UC Extension) in residence. Note that these programs must consist of at least six passed units to meet the requirement. At least 12 of the 24 units must be completed after senior status (90 units) is reached.

Most students automatically satisfy the residence requirement by attending classes here for four years (two years for transfer students). In general, there is no need to be concerned about this requirement, unless students go abroad for a semester or year or want to take courses at another institution or through University Extension during their senior year. In these cases, students should make an appointment to see an advisor to determine how they can meet the Senior Residence Requirement.

### Fulfilling Requirements with Transfer Coursework
Students may use transfer work, including courses taken via Study Abroad, to fulfill CED requirements, within the following limits (please consult your major advisor for more information):

- **Upper Division Major Requirements**: Up to two courses taken elsewhere may be applied, if deemed transferable by the UC Berkeley Central Evaluation Unit (https://ceu.berkeley.edu/) and approved by the faculty advisor for your major.
- **Upper Division CED Outside the Major**: Up to two courses taken elsewhere may be applied, if deemed transferable by the UC Berkeley Central Evaluation Unit (https://ceu.berkeley.edu/) and approved by the college.
- **Upper Division CED Minor Requirements**: Up to two courses taken elsewhere may be applied, if deemed transferable by the UC Berkeley Central Evaluation Unit (https://ceu.berkeley.edu/) and approved by the faculty advisor for your minor.
- **CED Breadth Requirements**: All requirements can be potentially fulfilled by courses taken elsewhere, if deemed transferable by the UC Berkeley Central Evaluation Unit (https://ceu.berkeley.edu/) and approved for breadth by the college (courses must be at least three units each).

To submit a request, please refer to the CED Forms & Documents page and complete the form located under Transfer Credit Evaluation: “CED Course Substitution Process-Current Students (Including Study Abroad).”

### Concurrent Enrollment
Concurrent enrollment for enrolled Berkeley students is defined as a student being enrolled in courses at UC Berkeley during a Fall or Spring semester, while also being enrolled in courses at another school such as a California community college. Students who wish to take courses concurrently must seek approval from CED Advising four weeks prior to the first day of instruction. Students who do not have approval from...
CED Advising will not be approved to post transferable units to their UC Berkeley academic transcript. Only summer session enrollment does not require approval from CED Advising.

Students must declare one of the CED majors at the time of application to the College. Even if students are certain about which major they wish to pursue, they can still benefit from doing some research about the content of the programs before applying:

- Come to a prospective student information session. For information regarding these sessions, please see the CED schedule of events on the CED website (http://ced.berkeley.edu/events-media/events/).
- Talk with a CED advisor to clarify the nature of the major and the types of skills and coursework required.
- If possible, visit the campus, attend some classes, including upper-division courses. Talk to students, faculty, and graduate student instructors (GSI’s).

Admission to Berkeley and the College of Environmental Design

For more information regarding admission, please see the College of Environmental Design website (http://ced.berkeley.edu/admissions/undergraduate/).

Admission as a Transfer Applicant

Transfer applicants must complete two years worth of lower division coursework to be considered for admission to CED. See the CED website (http://ced.berkeley.edu/admissions/undergraduate/transfer-applicants/) for detailed information about admission criteria.

CED Admissions Ambassadors

Students are invited to meet with a CED admissions ambassador—a current undergraduate who can talk about what life is like at CED and at UC Berkeley.

To personalize visits to Bauer Wurster Hall, CED offers the following:

- Tours of Bauer Wurster Hall
- Student panel discussions about the CED student experience
- Presentations about CED
- One-on-one conversations with ambassador(s)
- Webinars, online chats, and email exchanges with ambassador(s)

For further information regarding Admissions Ambassadors, please see the CED website (https://ced.berkeley.edu/admissions/undergraduate/admissions-ambassadors/).

Changing Colleges or Majors

Current UC Berkeley students may apply to change into the College of Environmental Design if they:

- Are able to complete their degree within CED’s semester limit
- Have a grade point average (GPA) of 2.0 or above.

The CED Office of Undergraduate Advising provides a wide array of programmatic and individual advising services to prospective and current students as well as to students in other colleges who are pursuing CED minors or taking CED courses. The professional advising team assists students with a range of issues including course selection, academic decision-making, achieving personal and academic goals, and maximizing the Berkeley experience.

Awards, Scholarships and Fellowships

CED offers a number of annual prizes, awards, scholarships, fellowships, and grants to its currently enrolled students. Some of these prizes and awards are college-wide, and some are geared toward students in specific majors. For information regarding CED prizes and awards, including application instructions and a deadline calendar, please click here (https://ced.berkeley.edu/resources/awards-scholarships-and-fellowships/).

CED Events and Exhibits Calendar

CED and Bauer Wurster Hall is home to a variety of events, lectures, and exhibitions that welcome professors, professionals, and friends to the College to discuss and celebrate the community and professions. Through events and media, CED is constantly creating ways to keep the college connected and up-to-date. To view the calendar, please click here (https://ced.berkeley.edu/news-events/).

CED Lecture Series

The departments of Architecture, City and Regional Planning, and Landscape Architecture and Environmental Planning each sponsor lecture series, which offers students the opportunity to hear internationally-acclaimed speakers for free. These speakers often also participate in classes and seminars as part of their visit to campus. For a schedule of speakers and events in these lecture series, please see the CED website (https://ced.berkeley.edu/news-events/).

Research Opportunities, Internships, Public Service, and Volunteer Opportunities

For additional opportunities, please see the CED Advising website (http://ced.berkeley.edu/advising/undergraduate-advising/undergraduate-students/policies/).

Study Abroad

The College of Environmental Design (CED) encourages all undergraduates in the College to study abroad. Whether students are interested in fulfilling general education requirements, taking courses related to their major/career, or simply living and studying in a country that is of interest to them, CED will work with students to make it happen. For further information, please see the CED Study Abroad website (https://ced.berkeley.edu/academics/ced-study-abroad/)
