Turkish

Minor

The Turkish minor introduces students to the language, peoples, cultures, and histories of the Turkish-speaking world. The minor develops the student's command of reading, writing, speaking, and comprehension in the Turkish language and may complement the student's intended major study. Students minoring in Turkish must satisfy the lower division prerequisite requirements. Students may also take a language proficiency exam to waive the elementary and intermediate language courses. Please meet with the undergraduate major advisor to discuss course options and study abroad plans.
